

FIFTEENTH ANNUAL TEN COMMANDMENTS HIKE

SATURDAY, FEBRUARY 20, 2010 - RAIN OR SHINE

Come enjoy a suburban hike with your church class, scout group or family and tour 10 different churches, find out about their teachings, and have a brief presentation of one of the Ten Commandments at each of the churches.

We anticipate having three separate hikes in 2010. The Downtown Hike will feature some of the beautiful older churches of the Museum District. The North Hike will meander through wooded Kingwood and view newer sanctuaries. The Southwest Hike will tour beautiful Sugar Land and will include newer sanctuaries and possibly a Hindu temple as in past years. Each hike will be at least 5 miles long. Space is limited. See details and get registration materials at www.samhoustonbsa.org

Hikes can be used to meet Cub Scout & Boy Scout requirements as follows:
